

AGENDA

COMMITTEE ON LANDS AND BUILDINGS

October 18, 2016
Aldermen Long, Shaw,
Cavanaugh, Herbert, Pappas

5:30 p.m.
Aldermanic Chambers
City Hall (3rd Floor)

1. Chairman Long calls the meeting to order.
2. The Clerk calls the roll.
3. Request from the Parks, Recreation & Cemetery Commission to have the JFK Arena locker room #1 named after former commissioner George "Butch" Joseph.
Ladies and Gentlemen, what is your pleasure?
4. Communication from Thomas Arnold, Deputy City Solicitor, regarding the request to purchase City-owned property located at 921 Beech Street.
(Note: Attached is a report of the committee referred back by the Board of Mayor and Aldermen on September 20, 2016.)
Ladies and Gentlemen what is your pleasure?
5. Request to purchase City-owned property located on Crescent Lane, TM 218, Lot 21.
Ladies and Gentlemen, what is your pleasure?

TABLED ITEMS

(A motion is in order to remove any item from the table.)

6. Communication from Mike Lanoie of the Derryfield Restaurant, requesting changes to the property and approval of the amended management agreement.
(Note: Tabled 6/28/16; revised contract to be submitted.)

7. Request to purchase City-owned property located at Tax Map 356, Lot 1A, behind 399 Silver Street.
(Note: Retabled 8/16/16; Attached is a communication from the Planning & Community Development Department regarding revocable licenses and a map identifying physical encroachments in the City-owned corridor and communication from the Environmental Protection Division recommending the City retain ownership of the land.)
8. Communication from Marc Pinard, Brady Sullivan General Counsel, submitting a request to purchase land comprising of Plaza Drive.
(Note: Tabled 12/14/15; additional information to come from City staff and Brady Sullivan Properties.)
9. If there is no further business, a motion is in order to adjourn.

Matthew Normand
Office of the City Clerk
One City Hall Plaza
Manchester, NH 03101

Dear Mr. Normand:

I am requesting that, if possible, you move forward a recommendation from the Manchester Parks and Recreation Commission to the Board of Mayor and Aldermen.

The recommendation is to have the JFK Arena's newly renovated/expanded locker room number #1 named after former Parks and Recreation Commissioner George "Butch" Joseph.

At the Parks and Recreation Commissioners monthly meeting on Tuesday, September 27, 2016, a motion was made, seconded, and passed as stated above.

We discussed that Mr. Joseph was a great contributor to the overall sports community of Manchester for many years. He was a strong proponent for this JFK project. Since Manchester can now utilize the newly renovated/expanded locker rooms, it would be a nice gesture to recognize someone who has put in a strong effort into getting this done.

Should you require any further information for this request, please feel free to contact me, Joseph Gallagher, at guwl@comcast.net, 603-948-8161, or 176 Norfolk Street, Manchester, NH 03103. Thank you for your consideration in this matter.

Sincerely,

Joseph T. Gallagher

Thomas R. Clark
City Solicitor

Thomas I. Arnold, III
Deputy City Solicitor

Committee on Lands & Buildings
c/o Matthew Normand, Clerk
One City Hall Plaza
Manchester, NH 03101

Re: Map 278, Lot 2A, 921 Beech Street

Gentlemen:

At the August 21, 2016 meeting of the Committee on Lands & Buildings I was asked to negotiate the sale of City owned Land, Map 278, Lot 2A located at 921 Beech Street, contingent on Committee and Board of Mayor and Aldermen approval.

Subsequent to the Committee's request I asked Assessor Robert Gagne to assist me and he agreed to do so. Mr. Gagne and I have since met with James Clifford, the representative for Matnec LLC, on two occasions. After determining that the parcel that Matnec, LLC wishes to purchase is approximately 8,437 square feet we negotiated a purchase price of \$106,000.00, based on a fair market value, as determined by Mr. Gagne, of \$14.00 per square foot minus the approximate cost of \$12,000.00 to survey the parcel in order to produce a legal description for the deed should the Board of Mayor and Aldermen authorize the sale of the parcel. Should the survey reveal a parcel size different from 8,437 square feet the purchase price would be adjusted accordingly.

Mr. Gagne and I will be in attendance at the next meeting of the Committee on Lands & Buildings should the Committee have any questions.

Respectfully

Thomas I. Arnold, III
Deputy City Solicitor

To the Board of Mayor and Aldermen of the City of Manchester:

The Committee on Lands and Buildings respectfully advises, after due and careful consideration, that the City Solicitor be authorized to negotiate the sale of City-owned property located on Beech Street, Map 278 Lot 2A abutting Dunkin Donuts and return to the committee with a recommendation.

(Unanimous vote with the exception of Alderman Cavanaugh who voted in opposition)

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Matthew Normand".

Clerk of Committee

At a meeting of the Board of Mayor and Aldermen held September 20, 2016, on a motion of Alderman Cavanaugh, duly seconded by Alderman Long, the report of the Committee was referred back to the Committee on Lands and Buildings.

A handwritten signature in black ink, appearing to read "Matthew Normand".

City Clerk

In Board of Mayor and Aldermen
Date: 08/02/16
On motion of Ald. O'Neil
Seconded by Ald. Long
Voted to refer to the Committee on Lands and Buildings.

RE: Dunkin' Donuts – 921 Beech Street – Parcel 278/1

Dear Mayor Gatsas,

I am writing to you on behalf of Matnec, LLC to express our continued interest in purchasing this 0.17 acre parcel of land.

Pursuant to a licensing agreement with the City of Manchester dated August 31, 1981, our Dunkin Donuts store is using this parcel for parking and to provide additional access for our patrons.

We would like to come before the Committee of Lands and Buildings to continue our discussions on our original offer of \$50,000.00.

We thank you for your time and consideration of this matter. I look forward to hearing from you.

Sincerely,

Constantine G. Scrivanos

HAND DELIVERED

Board of Mayor and Aldermen
Committee on Buildings and Lands
One City Hall Plaza
Manchester, NH 03101

Re: Tax Map 218 Lot 21, formerly Lots 56 to 65 Crescent Lane

Dear Mayor Gatsas and Aldermen:

This office represents Shawn Corson of 77 Grove Avenue, Manchester, New Hampshire. The Corson family has owned property in this area for more than 75 years. The City of Manchester owns the above-referenced land by reason of Tax Collector's Deed dated September 8, 1995. This land abuts the property of Mr. Corson and he is prepared to pay the City of Manchester the sum of \$500 to purchase such land.

The subject land has no access to a public street. It was foreclosed on in 1991 by Bank of New Hampshire. The Bank did not pay the real estate taxes on such land and the City of Manchester acquired it for the sum of \$424 in 1995. The City has held the land for more than twenty years. Based on the circumstances, including the fact that the City has derived no real estate tax revenue in decades, this offer to purchase such land is a reasonable offer.

Please give this your consideration and advise if there are any questions.

Sincerely,

Charles F. Cleary

To: Chairman Patrick Long, Committee on Lands & Buildings
From: Board of Assessors
Date: September 9, 2016
Re: Map 218, Lot 21 / Crescent Ln / City Owned Vacant Land
Request to Value Property

The Assessors have completed an analysis of the estimated market value of the above-referenced property. The following is a summary of important facts and the value estimate:

Property Location	Crescent Ln
Assessors Map/Lot	Map 218, Lot 21
Property Owner	City of Manchester
Deed Book/Page	5655/398 (Tax Deed)
Date Acquired	September 8, 1995
Improved/Vacant	Vacant
Total Land Area	27,667 square feet
Current Zoning	Residential R-1A / One Family
Overlay District	N/A
Easements / Restrictions	None known
Estimated Value	To be disclosed in non-public session (RSA 91-A:3 II(d))
Comments	Vacant parcel located in a residential neighborhood off Bodwell Rd near Crystal Lake. The improved portion of Crescent Ln ends roughly 110' short of subject parcel. Additionally, subject parcel depth is shallow, roughly 70', leaving a building envelope depth of approximately 15' after allowing for front setback of 25' and rear setback of 30'.

Respectfully,

Robert J. Gagne, CNHA, NHCG
Chairman

**Re: Request to acquire City-owned, tax-deeded parcel near Crescent Lane,
Tax Map 218, Lot 21**

Honorable Committee Members:

The City has recently received a request to purchase lot 218-21 by Mr. Shawn Corson, who owns adjacent property. The purpose of this letter is to provide the Committee with a recommendation by the Planning and Community Development Department (PCD) on the request, pursuant to Articles 34.15 – 34.25 of the Manchester Code of Ordinances. As discussed herein, PCD recommends sale of the lot, but requests that the Committee recommend merger of the lot with adjacent lot, 863-40.

Background

Lot 218-21 is located in the southeastern part of the city and is in the R-1A Zoning District. Mr. Corson owns an adjacent lot, 863-40, and two neighboring lots, 863-37 and 863-31. As shown on the attached map, these lots line up in a row from Grove Avenue at the south to lot 218-21 at the north. Mr. Corson owns a house on lot 863-31. The other lots are unimproved. Mr. Corson did not indicate in his application whether he intends to develop the parcels, merge them to become part of the back yard to his house at lot 863-31, or keep them as they are. If he, or someone else, attempted to develop them, there are a few issues that would create difficulty in doing so.

First, the three undeveloped lots are landlocked in that they have no frontage on an accepted street. The Manchester Zoning Ordinance and State Law require frontage for development. Richard Matz, the City's chief of survey, has concluded that the portion of Crescent Lane abutting lot 218-21 has no status as a public street. The same is true for lots 863-40 and 864-37. Thus, for the landlocked lots to be developed, Mr. Corson would need to either obtain a variance or build a public street.

Please also note that the Planning Board recently approved an adjacent lot, 506A-5B, for the development of a 9-lot, residential subdivision. As shown on the attached subdivision plan, the approval allows for an extension of Glen Forest Drive that ends in a cul-de-sac. Thus, frontage for lot 218-21 could not be obtained from the extension of Glen Forest Drive.

Another hurdle for development is the shape of the lots. Lot 218-21 has over 27,000 square feet, which is more than adequate for development in the R-1A District, but the lot is narrow, and variances would be needed for requirements such as setbacks and lot depth. Lots 863-40 and 863-37 have the same issues, and also do not appear to have adequate lot size.

Recommendation

PCD recommends that it would be in the City's interest to sell this tax-deeded parcel to the private sector. Whether the parcel is ultimately developed or not, PCD does not foresee any public purpose for which the parcel would likely be used. Further, conveyance of this parcel to the private sector would not conflict with the City's master plan.

PCD would recommend that, if the Committee is inclined to support the request to purchase the property, there be a condition placed on the sale that lot 218-21 shall be merged with the adjacent lot, 863-40. The merger of these two lots would eliminate one nonconforming lot, which is a goal of the Manchester Zoning Ordinance and the Manchester Subdivision and Site Plan Review Regulations.

If the Committee is inclined to return the parcel to the private sector, please note that Section 34.21 of the Ordinance requires that City-owned lots must first be declared "surplus" and then disposed of by general public sale, such as by public auction.

If you have any questions, PCD staff will be available at your next meeting.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeffrey Belanger', with a long horizontal flourish extending to the right.

HAND DELIVERED

Board of Mayor and Aldermen
Committee on Buildings and Lands
One City Hall Plaza
Manchester, NH 03101

Re: Tax Map 218 Lot 21, formerly Lots 56 to 65 Crescent Lane

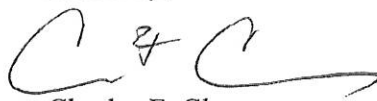

Dear Mayor Gatsas and Aldermen:

This office represents Shawn Corson of 77 Grove Avenue, Manchester, New Hampshire. The Corson family has owned property in this area for more than 75 years. The City of Manchester owns the above-referenced land by reason of Tax Collector's Deed dated September 8, 1995. This land abuts the property of Mr. Corson and he is prepared to pay the City of Manchester the sum of \$500 to purchase such land.

The subject land has no access to a public street. It was foreclosed on in 1991 by Bank of New Hampshire. The Bank did not pay the real estate taxes on such land and the City of Manchester acquired it for the sum of \$424 in 1995. The City has held the land for more than twenty years. Based on the circumstances, including the fact that the City has derived no real estate tax revenue in decades, this offer to purchase such land is a reasonable offer.

Please give this your consideration and advise if there are any questions.

Sincerely,

Charles F. Cleary

* ABUTTERS LIST

City of Manchester:

The Derryfield Restaurant would also like to construct a snack shack located to the left of the 10th tee. The cost of the construction would be paid for by the restaurant (with the exception of the bathrooms and tree removal). The City is to review and approve plans.

The restaurant would also like to increase the size of the north lot (City to provide needed fill). The restaurant will provide engineered plan for City's approval.

These changes would also be incorporated in the addendum to the lease which is enclosed.

Sincerely,

Mike Lanoie
The Derryfield Restaurant

ADDENDUM NUMBER FOUR
TO MANAGEMENT AGREEMENT

This Addendum to Management Agreement is made this ____ day of _____, 2016 by and between CITY OF MANCHESTER, a duly organized municipal corporation, having an address of One City Hall Plaza, Manchester, New Hampshire, 03101, by and through its Parks, Recreation & Cemetery Department, having an address of 625 Mammoth Road, Manchester, County of Hillsborough and State of New Hampshire (hereinafter called "Owner"), and BLL RESTAURANT, INC., a New Hampshire Corporation having a principal place of business at 625 Mammoth Road, Manchester, County of Hillsborough and State of New Hampshire (hereinafter called ("Manager")).

WHEREAS, the Owner and Manager have entered into a certain Management Agreement dated December 13, 2002 regarding the construction and management of certain premises owned by the Owner at 625 Mammoth Road ("Management Agreement");

WHEREAS, the Owner and Manager have entered into an Addendum to Management Agreement dated March 14, 2003;

WHEREAS, the Owner and Manager have entered into an Addendum Number Two to Management Agreement dated October 8, 2004;

WHEREAS, the Owner and Manager have entered into an Addendum Number Three to Management Agreement dated _____; and

WHEREAS, the Owner and Manager desire to further amend certain terms of the Management Agreement.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Section 3 of the Management Agreement is amended by adding the following to the end of the Section:

"The Term of this Agreement shall be extended for a Twenty-Five (25) year period commencing on _____ and terminating on _____. The Manager shall have the Option to Extend the term for one (1) additional period of five (5) years, commencing on _____ and terminating on _____ by providing the Owner with written notice of its intent to exercise this Option within ninety (90) days prior to termination. Such Option Term shall be on the same terms and conditions then in effect at the time the Option is exercised."

2. The first sentence of Exhibit B shall be amended as follows:

“The Share of Revenue shall consist of three components.”

3. Exhibit B, #2 shall be amended by replacing the existing language with the following:

“Beginning on _____ and on the first of every month thereafter, through the remaining term of this Management Agreement, Manager shall pay to Owner the amount of Twelve Thousand Dollars (\$12,000.00), in fulfillment of its Minimum Share of Revenue Obligations under the Management Agreement.”

4. Exhibit B, #3(a), (b), and (c) shall be amended by replacing the existing language with the following:

“For the period beginning on _____ through the remaining term of this Management Agreement, the Percentage Share of Revenue shall be an amount equal to 1.5% of Gross Revenues.”

5. Exhibit B, #4 as set forth in Addendum Number Three to Management Agreement is deleted in its entirety.

6. These Amendments shall become effective on _____.

7. All other provisions of the Management Agreement, as amended, shall remain in full force and effect. In the event of any inconsistency between this Addendum Number Four and the Management Agreement, as amended, the terms of this Addendum Number Four shall control.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be signed by a duly authorized person on the day and year first above-written.

Subject: **Recommendation to Retain City Ownership
of Railroad Corridor at 399 Silver Street**

Dear Committee Members,

As we discussed at your recent August 16th meeting, the Environmental Protection Division (EPD) respectfully recommends that the rail corridor along 399 Silver Street be retained in City ownership. The EPD has long standing infrastructure plans for this rail corridor that will be in direct conflict with the private sale and use of this parcel.

As mandated by the Environmental Protection Agency, the EPD developed a master plan to address combined sewer overflows (CSOs) on the city's east side. This plan was developed in 2010 working in close collaboration with several city departments including Planning and Community Development, Parks and Recreation, and the DPW. A key master plan recommendation is the use of this railroad corridor from Elm Street to Mammoth Road to relocate Cemetery Brook the city's main drainage channel (please see Figure No. 1 attached). The relocation of Cemetery Brook will be one of the largest construction projects the city has ever undertaken with large volume box culverts installed up to 25-ft deep. Design work for this project is scheduled to start in 2017. Construction at this Silver Street location is scheduled to start in eight to ten years. After construction is completed, EPD plans to restore this rail corridor as a walking/bike trail to complement the city's ongoing rail-to-trail program (please see Figure No. 2 attached).

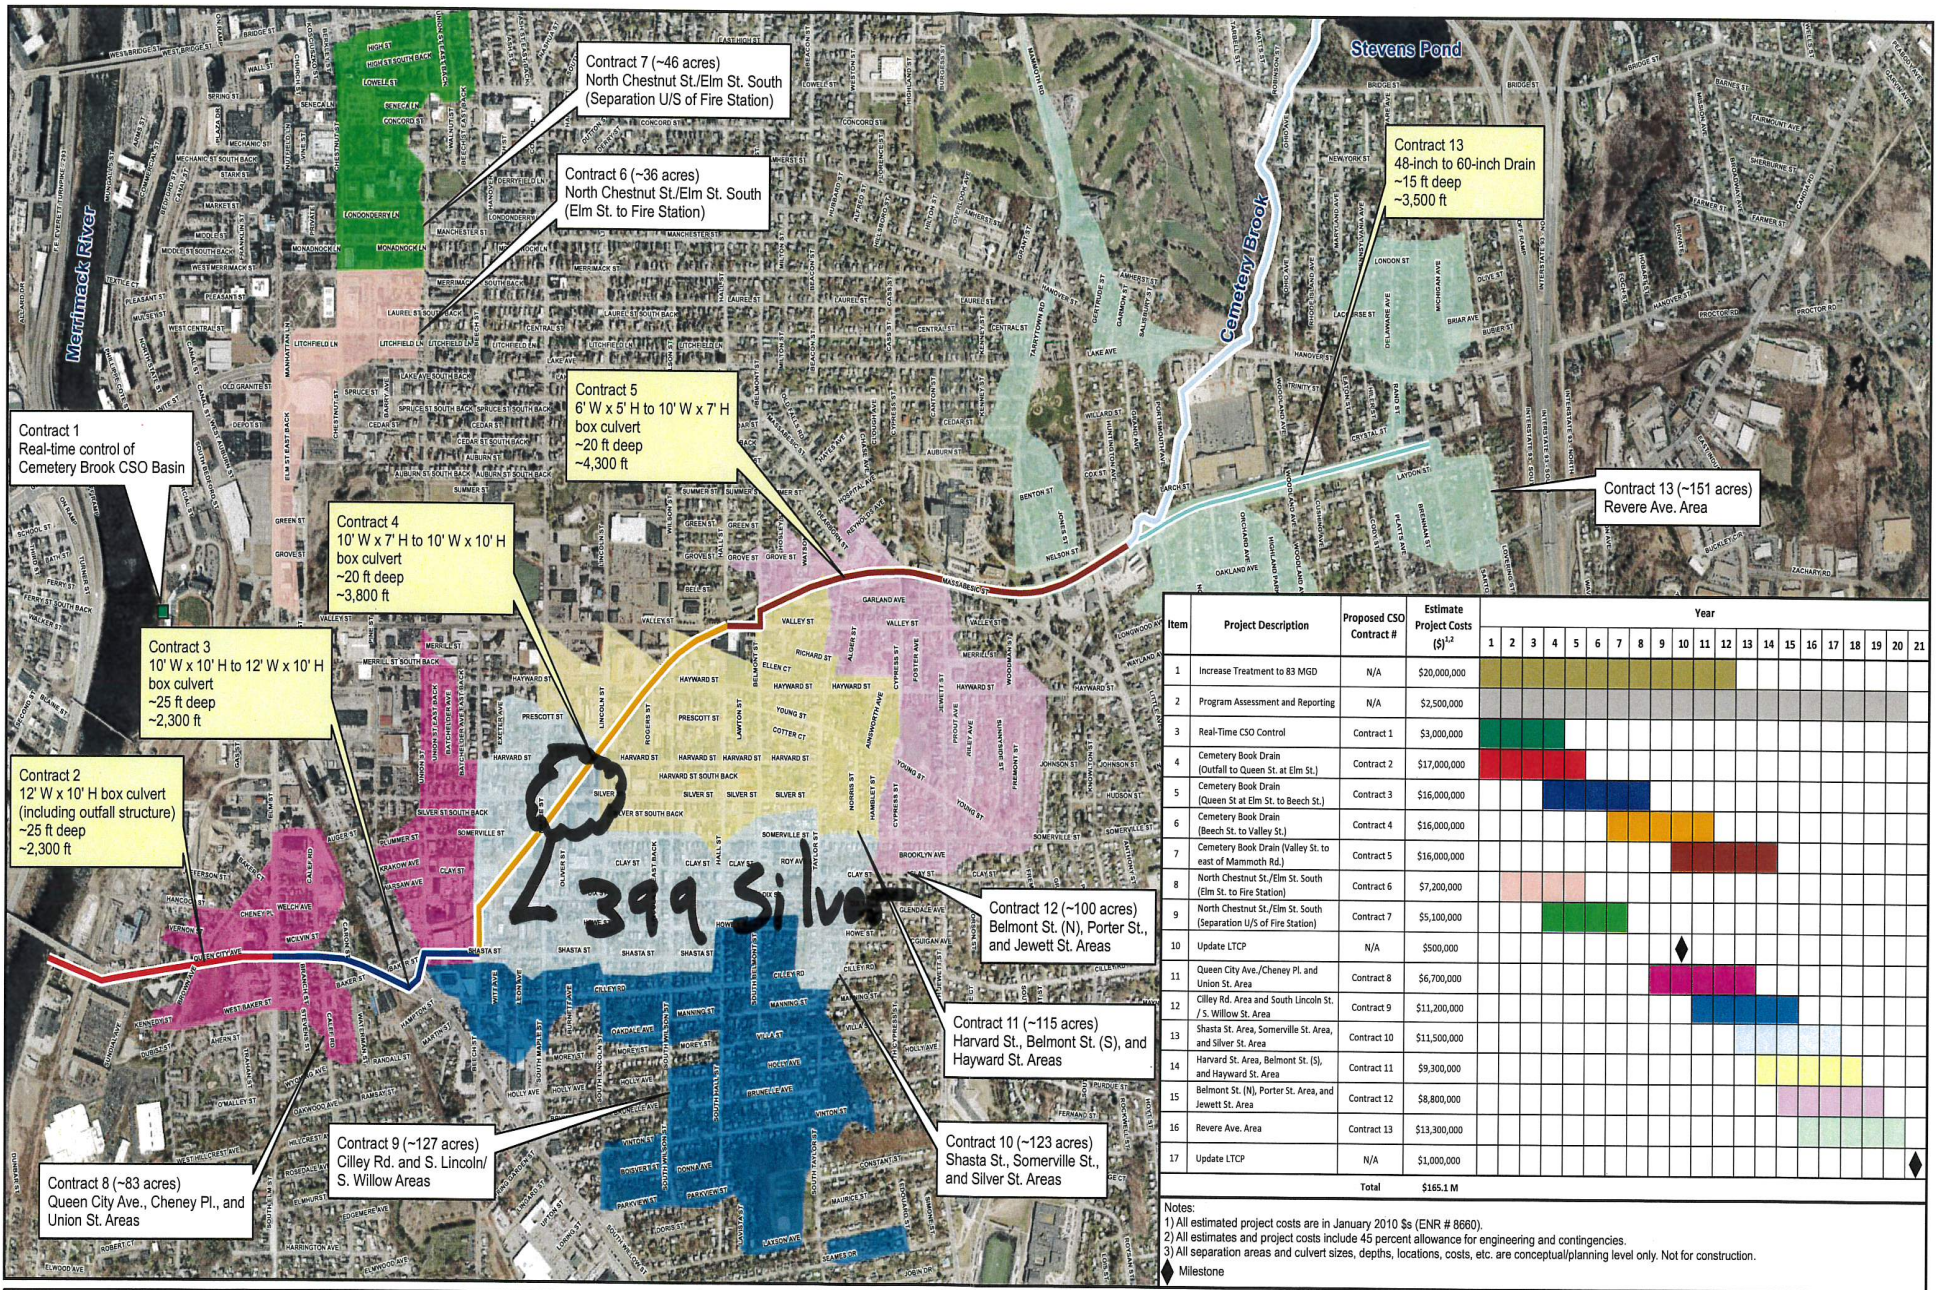

Relinquishing ownership of the property prior to construction of the CSO project will create significant future challenges for EPD. The excavation required to install box culverts 20-ft deep in this Silver Street location will effectively render the site unusable for the period of construction. In addition, a utility easement will have to be negotiated with the new owner which can be time consuming, contentious, and expensive for EPD. If an easement is not successfully negotiated, the entire routing of the relocated Cemetery Brook could be impacted.

In closing, the EPD working in close collaboration with other departments and the Board of Mayor and Alderman received city wide support of our 2010 CSO Master Plan. To relinquish ownership of this critical railroad corridor parcel could negatively impact the entire CSO Master Plan. Thank you for your consideration of EPD's recommendation for the city to retain ownership of this parcel of land.

Sincerely,

Frederick J. McNeill, P.E.
Chief Engineer

Re: Revocable Licenses Granted in Portsmouth Branch Railroad Corridor

Dear Chairman Long and Honorable Committee Members:

The purpose of this letter is to respond to the Committee on Lands and Buildings' request for a list of encroachments on the corridor of the former Portsmouth Branch Railroad. More specifically, this letter provides a list of revocable licenses granted, and one instance of fee-simple ownership conveyed, by the City of Manchester to private entities for their use of the corridor.

As you are aware, the Planning and Community Development Department becomes involved in requests from private parties that apply to the City for acquisition of property rights in the corridor. The Department has maintained records of such requests, and I believe that I have found all of those records within the Department. I have also worked with Deputy Solicitor Thomas Arnold to incorporate his records into this list. I also checked with Richard Matz, the Chief of Survey at DPW, to see if he had any records of licenses granted in the corridor. Although I have tried to be thorough, I cannot guarantee that there are not records held outside of my department regarding the corridor that I have not found. I believe that Attorney Arnold would place a similar caveat on the information that he provided.

Revocable Licenses Granted, and One Fee-Simple Ownership Conveyed, by the City in the Portsmouth Branch Railroad Corridor

Address	Tax Map-Lot	Right Granted	Year	Owner
Maple Street, 118	361-1	Revocable License	2006	J.C.'s Auto Sales
Silver Street, 399	356-1A	Revocable License	2013	Robert Provencher
Valley Street, 696	128-1A	Revocable License	2014	Hai Pham
Hayward Street, 680	101-8	Revocable License	2014	RSCC Aerospace
Belmont Street, 290	128-1	Revocable License	2015	290 Belmont Street, LLC
Wilson Street, 267	342-19	Fee Simple Ownership	2015	Carl J. Luongo Trust

The list above does not include license applications that were not granted. It also does not include license applications and grants for the Goffstown Branch Railroad right-of-way or for revocable licenses granted outside of railways. None of this information seemed relevant to your request, but I can provide it upon request.

Please feel free to contact me if you have any questions. Planning Department staff will be available at your next meeting, should you want to discuss this information.

Re: City of Manchester – Land Sale, Provencher (399 Silver St.)
Portsmouth Branch Railroad Corridor

Dear Mayor and Alderman:

This letter is in response to correspondence from Ben Nardi at TRR Commercial (5 Heartwood Lane, Suite, Concord, NH) who has represented himself as the buyer's agent and indicated that the City of Manchester seeks the State's approval to sell a parcel (map 356-lot 1A) of the Portsmouth Branch Railroad corridor to his client.

It is understood that the City proposes the sale of this parcel that the State sold to the City in 2001 and was recorded as part of the 2001 Deed, Book 6561, Pages 1308-1310. Additionally, as noted in the recorded deed, as part of this sale the State retained the right of approval for any future disposal and the State retained a transportation easement. Therefore, the State would not object to the City's sale of this parcel contingent on the following requirements being met:

1. The State's transportation easement on the subject parcel must remain in effect and run with the land.
2. The buyer must agree to restrictions on excavation within the parcel or, if alterations to the current conditions are to undertaken as stipulated in the aforementioned deed, the buyer submit a request for review by the Federal Highway Administration relative to Section 106 of the National Environmental Policy Act.
3. The City shall provide to the State a copy of the proposed deed for review prior to the Sale Closing.

Contingent on the above noted requirements being met, the State would not object to the sale of the subject parcel. If the City has additional questions or concerns relative to this parcel, please contact NHDOT Railroad Planner Louis Barker at 271-2425 or lbarker@dot.state.nh.us.

Sincerely,

Patrick Herlihy
Director
Division of Aeronautics, Rail & Transit

RE: Map: 356 Lot: 1A Silver Street, Manchester, NH

Dear Mr. Chairman,

Attached please find letter addressed to the Mayor which contains the DOT consent to a sale of this portion of the RR land as identified and shown on City tax Map 356-1A as outlined by the assessor in 2013 to Mr. Provencher subject to the restrictions as described in the DOT deed to the City namely the language as follows:

" Excepting and reserving to the State of New Hampshire by or through its Department of Transportation of any successor agency, a transportation easement, 30 feet in width, crossing all the above described parcels for any mode of public travel, including but not limited to , vehicular, railroad, bus, or other forms of mass transit, pedestrian, bicycle, snowmobile (not including motorcycles) or other form of recreational travel".

It was determined that it would be best to keep the lot as shown as Map 356-1A and not to play with the line and to keep it as it is.

Request is hereby made to be placed on the agenda at your next regularly scheduled meeting to discuss the matter in further detail.

This conveyance of lot 356-1A would not interfere with future bike trail plans and protects the City and Dot for future use of the parcel per the intent of these restrictions. Mr. Provencher is willing to purchase the property subject to these conditions and easement.

I know there has been mention of selling portions of the RR land would set a "precedent" however it is expressly stated in your deed from DOT that you can sell portions of the abandoned railroad corridor so long as you get approval from the DOT. The sale of portions of this land was contemplated and expected by the DOT. If they wanted to restrict any sale of this land they would not have included any such language in the deed or would have made it clear by language in the deed stating that the City would be barred from selling portions of this land which it did not do. Thus you are not setting precedent but doing what your deed allows you to and what was contemplated by the DOT.

This sale generates income from the purchase price to be paid by Mr. Provencher and possibly others and puts it legitimately on the tax rolls moving forward. I would like to also address the matter of what happened to Mr. Provencher in getting the revocable license agreement for use of the parking lot. Certain representations were made to the Committee by the assessors office that quite a few other people with license agreements are paying the "taxes" for the use of the land however I am unable to find any actually doing so. Would it be possible to request from the assessor to prepare a list of Licensees and the "taxes" charged for the use of the land and whether or not he has in fact collected any payments from these licensees.

Obviously Mr. Provencher is ready willing and able to pay for the taxes on this parcel once transferred to him but the manner in which he was arbitrarily charged and assessed taxes for using this parcel via the license agreement is unusual and out of the norm. The purchase price to be determined and paid at closing would certainly offset any of the past disputed charges. Any clarification on this at the next meeting would be most helpful in getting a handle on what is really going on with Licensees using this land.

Along these lines and knowing that there are a good number of people using portions of this RR land without authority and or License. As a result of my research and review of the current state of affairs concerning this RR Corridor I prepared a Proposal which I delivered to the Mayor a few months ago, I have attached a copy for your review.

I believe it would be in the best interests of the City to identify each user on the RR Corridor and then notify them that they have an option to purchase the property subject DOT approval and or in the alternative pay a License Fee for the use of same equal to the tax assessed on the area of the land they are using. I would think the users would be more receptive to purchase the property subject to the DOT easement and this would generate considerable revenue dollars to the City and put all the land being used on the tax rolls.

I think it may be appropriate to get a good grasp on exactly who are using portions of this RR Corridor land without authority and identify who are using it with authority. These people should be paying and or buying the property.

I have held off on getting the formal survey done on the parcel in question until such time as the Board of Mayor and Alderman vote on whether or not to approve the sale of this lot as outlined. At that time if favorable I will complete the formal survey and get a deed description. The Assessor has laid the lot 356-1A out very well as shown on the City Assessor Map and it is clearly identified for the purposes of moving forward.

If you have any questions and or comments kindly contact me at your convenience to discuss.

Respectfully submitted,

Ben Nardi

Agent for Robert Provencher

Tel: 603-234-8074

email: bntower@cs.com

To: City of Manchester
Honorable Ted Gatsas, Mayor
One City Hall Plaza
Manchester, NH 03101

From: Ben Nardi
Tower Residential Realty Commercial
69 Brook Street
Manchester, NH 03104

**PROPOSAL TO SELL PORTIONS OF THE ABANDONED
PORTSMOUTH BRANCH RAILROAD CORRIDOR**

Now comes Ben Nardi a licensed real estate broker in the State of New Hampshire and states as follows in support of this Proposal.

1. That in January of 2002 the State of New Hampshire by way of quitclaim deed transferred all of its interest in and to a portion of the abandoned Portsmouth Branch railroad corridor.
2. That the quitclaim deed states that the City of Manchester agrees to the following;
 - 1.) The City of Manchester shall use and manage the abandoned railroad corridor as a recreational trail for use by the general public.
 - 2.) Any future alterations by the City of Manchester to the abandoned railroad corridor shall necessitate review by the Federal Highway Administration relative to Section 106 historic review process.
 - 3.) The City of Manchester must obtain approval from the New Hampshire Department of Transportation before selling any portion of the abandoned railroad corridor.

3. That the property is identified by the City Assessor as being Map 0473 Lot 0046 consisting of approximately 603,742 SF or 13.86 acres.
4. That this railroad corridor has been modified from its original use and form by many of the abutters of said land.
5. That many of these abutters have properly obtained Revocable License Agreements from the City for use of this land subject to the City Policy regarding Private Sector Use of the Former Portsmouth Branch Railroad Line Right of Way.
6. That I have been actively involved in dealing with the Department of Transportation Railroad Division and the Federal Historic Section 106 Review Process regarding portions of this abandoned Portsmouth Branch railroad corridor land.
7. That it has been found that portions of this corridor have been altered which does not now necessitate formal review in conformity with the 106 Review Process. An informal review is usually done and a waiver from the formal review process is granted.
8. That the Department of Transportation has given its consent to sell portions of this corridor land and are mainly concerned that its 30 ft wide transportation easement be preserved.
9. That it has been this writers experience that the private sector licensees are only using a portion of the licensed land which taken as a whole usually is of sufficient size to satisfy the transportation easement concerns of the Department of Transportation.
10. That TRR Commercial is recommending that it be retained by the City to identify all current abutters and licensees using said former railroad land and negotiate with potential purchasers for the sale of each parcel.
11. That each abutter, licensee shall be given the right to purchase said land subject to the Department of Transportations right of way and further subject the conditions as outlined in the deed to the City referred to in paragraph 2 of this proposal.

12. That all interested purchasers shall bear all costs related to said purchase.
13. That the City Assessor shall make recommendation of a current market value of said property per square foot and set a sale price for the land per square foot.
14. That recently the City Assessor set a value for similar former rail road land at \$5.00 per square foot.
15. That the former railroad corridor consists of over 603,742 SF and thus a minimum return on the sale of said land assuming all is sold would generate \$3,018,710.00 in revenue for the city.
16. That all property sold would now be subject to property Tax and generate tax revenue on an annual basis.
17. That TRR Commercial shall be paid a consulting fee to identify and negotiate with potential purchasers for the sale of this land. Said consulting fee to be agreed to by and between the City and TRR Commercial.
18. That any and all land identified will have to be declared surplus land by the Board of Mayor and Alderman in order to effectuate the sale of same.
19. That TRR Commercial in addition to its consulting fee shall be paid a commission equal to 10% of the purchase price for bringing about the sale of each parcel to be paid by the purchaser at closing.

Respectfully submitted
TRR Commercial

Manchester, NH 03101

Re: Map:0356 Lot: 0001A Silver Street

**Petition to Recommend Finding Map: 0356 Lot: 0001A Surplus Land
and Recommendation for Sale of Surplus Land to Abutter**

Now comes your Petitioner Robert Provencher DBA My Friends Pub owner of 399 Silver Street, Manchester who respectfully submits the following in support of this petition to recommend to the Board of Mayor and Alderman that the above referenced parcel of property be declared surplus land and further recommend to said Board that the parcel be sold to Petitioner the abutting property owner;

1. That Petitioner purchased the property known as 399 Silver Street from the Disabled American Veterans, Chapter No. 1 on April 15, 2013 as evidenced and recorded in the Hillsborough County Registry of Deeds at Book 8548 Page 2321 and further identified and known as Map 356 Lot 1.

2. That at the time of closing Petitioner discovered that the on site parking field was not owned by the Disabled American Veterans and was in fact owned by the City of Manchester being a portion of the 13.86 acres formerly owned by the Boston and Maine Corporation as shown on Map 473 Lot 46 transferred to the City by the NH Dept of Transportation on December 14th 2001 and recorded in the Hillsborough County Registry of Deeds on January 11, 2002 at Book 6561 Page 1308. (see attached Exhibit A).

3. That the Deed from the NH Department of Transportation contains the following restrictions;

a.) The City of Manchester shall use and manage the abandoned railroad corridor as a recreational trail for use by the general public.

b.) Any future alterations by the City of Manchester to the abandoned railroad corridor shall necessitate review by the Federal Highway Administration relative to section 106 historic review process.

c.) The City of Manchester must obtain approval from the New Hampshire Department of Transportation before selling any portion of the abandoned railroad corridor

Excepting and Reserving to the State of New Hampshire by or through its

Department of Transportation of any successor agency, a transportation easement, 30 feet in width, crossing all the above-described parcels for any mode of public travel, including, but not limited to, vehicular, railroad, bus, or other form of mass transit, pedestrian, bicycle, snowmobile (not including motorcycles) or other form of recreational travel."

4. That Petitioner learned the Disabled American Veterans on April 4, 2006 obtained a Revocable License Agreement from the City of Manchester for a portion of the former Portsmouth Branch rail line which abuts 399 Silver Street to supplement its insufficient on-site parking needs.

5. That the Disabled American Veterans at some point prior to receiving its Revocable License Agreement from the City paved and striped a portion of said land for private parking which consists of approximately 24 parking spaces.

6. That the Petitioner soon after the purchase of the property learned that the Revocable License Agreement was not transferable and then on July 3, 2013 caused to be filed with this Committee an application for Private Sector Use of Former Portsmouth Branch Rail Right-of-Way Line requesting a Revocable Land License for use of the paved and striped portion of the land for customer parking due to insufficient on-site parking . (See attached Exhibit B)

7. That on September 3, 2013 this Committee recommended to the Board of Mayor and Alderman that a revocable land license be granted to the Petitioner. (See attached Exhibit C)

8. That the Committee further noted that the Petitioner be responsible for paying property taxes.

9. That the condition Petitioner be responsible for the payment of property taxes was referred to the Board of Assessors for a determination and review.

10. That the Board of Assessors determined that the original City of Manchester Policy Regarding Sector Use of the Former Portsmouth Branch Line Right-of-Way contained no provision or mention of fees or rent for the use of the Right-of Way and recommended that the Committee should consider revisiting this Policy if rent is to be now charged in light of the fact that there are many other users of the Right-of-Way that do not and have never been charged rent or required to pay the property taxes for use of Right-of-Way property. (See attached Exhibit D)

11. That the Board of Mayor and Alderman on September 3, 2013 voted to accept the Committee's report and granted a revocable land license to the Petitioner.

12. That unbeknownst to Petitioner the City of Manchester subdivided the land deeded to them by the Department of Transportation being Map 473 Lot 46 consisting of a total of 13.86 acres and created a new lot known as Map 356- Lot 1A consisting of approximately 7,283 SF and as shown on Vision Appraisal Assessors Data Base and which identifies a transfer date of June 26, 2013. (See Exhibits E & F)

13. That the property as identified as Map 256-Lot 1A is the portion of the Rail Road Land that has been used for on site parking abutting Petitioners property and is the property for which these land licenses had been granted first to the Disabled American Veterans and then to Petitioner.

14. That the owner of this new parcel is listed as the City of Manchester with a mailing address for the City listed as 333 Calef Road, Manchester, NH 03103 which is Petitioners home address. (See Exhibit G)

15. That Petitioner has been receiving property tax bills from the City of Manchester for Map 356 Lot A1 since 2013 in the name of the City of Manchester and sent to Petitioner at this home address. The tax assessment for this lot for the years 2013 and 2014 was \$80,000.00. The latest tax assessment for this lot for the tax year 2015 has now been reduced to \$19,400.00.

16. That it was Petitioners understanding that the Committee recommendation to charge him for the use of the Right-of-Way either by paying rent or paying the property taxes was found not to be equitable by the Board of Assessors and this recommendation was sent back to the Committee for reconsideration in that no other user of the Right-of-Way or land license holder is obliged to pay rent and or taxes.

17. That the Petitioner on several occasions has attempted to meet with the Board of Assessors to discuss the matter but has been unable to get the Board to respond to his repeated requests to meet.

18. That the subdivision of the Rail Road Land to create the separate lot know as Map 356 Lot A1 must have been approved by the Department of Transportation and sufficient land remains to satisfy the conditions set forth in the original deed for the transfer of any potion of the Rail Road land which requires reserving a 30 foot easement for the Department of Transportation. No Historic review would be warranted in that the property was paved over and striped subsequent to this subdivision by the City.

19. Petitioner is ready willing and able to purchase Map 356 Lot 1A for a sum to be negotiated between the parties but not to exceed the current assessed value of said property which was assessed in 2015 for \$19,400.00.

20. That the abutting property Map 356 Lot A1 is integral part of the successful running of the business at 399 Silver Street.
21. That without the additional on-site parking the business would be in jeopardy of closing.
22. That the sale of said property to Petitioner would provide the City with purchase monies and provide additional needed annual tax revenue.
23. That the sale of this property to Petitioner does not violate any of the terms and conditions as set forth in the Department of Transportation's Deed to the City for this railroad land.
24. That Petitioner agrees to abide by all of the terms and conditions as set forth in this aforementioned Department of Transportation Deed that may be applicable in the sale of this property to Petitioner.

Wherefore your Petitioner Robert Provencher DBA My Friends Pub respectfully requests that this Committee make recommendations to the Board of Mayor and Alderman as follows;

- A. To declare the property Map 356 Lot 1A surplus land,
- B. To recommend the sale of said property to Petitioner,
- C. For such other and further relief as may be prudent, equitable and justified.

Respectfully submitted by;

Dated April 18, 2016

Robert Provencher

KNOW ALL MEN BY THESE PRESENTS

THAT, The State of New Hampshire, whose mailing address is the Department of Transportation, 1 Hazen Drive, P.O. Box 483, Concord, NH 03302-0483, pursuant to RSA 4:40 and RSA 228:67, for considerations paid to it in hand before the delivery hereof, well and truly paid by the City of Manchester, a municipal corporation, whose mailing address is 1 City Hall Plaza, Manchester, NH 03101-2097, has remised, released and forever QUITCLAIMED, and by these presents, does remise, release and forever quitclaim unto said City of Manchester, its successors, and assigns forever:

Any and all interest the State of New Hampshire has in a portion of the abandoned Portsmouth Branch railroad corridor, including all stations, buildings, bridges, structures, crossings, culverts and improvements thereon and including all appurtenances thereto and formerly owned by the Boston and Maine Corporation, the Elliot Hospital of the City of Manchester, 67 Willow Street Realty, L.L.C., and the Flying Horse Realty, Inc., located in the City of Manchester, bounded and described as follows:

Parcel 1:

Beginning at a point designated as Engineering Station 1967+70+/- located on the westerly sideline of Page Street as shown on Railroad Valuation Plan V28NH, Map 38; thence running generally in a westerly direction to a point designated as Engineering Station 1997+50+/- as shown on Railroad Valuation Plan V28NH, Map 39.

Parcel 2:

Beginning at a point designated as Engineering Station 2002+90+/- located on the westerly sideline of Mammoth Road as shown on Railroad Valuation Plan V28NH, Map 39; thence running generally in a westerly direction to a point designated as Engineering Station 2008+05+/- at the easterly sideline of Hall Road as shown on Railroad Valuation Plan V28NH, Map 39.

Parcel 3:

Beginning at a point designated as Engineering Station 2021+70+/- located on the westerly sideline of Massabesic Street as shown on Railroad Valuation Plan V28NH, Map 39; thence running generally in a westerly direction to a point designated as Engineering Station 2080+80+/- at the easterly sideline of Union Street as shown on Railroad Valuation Plan V28NH, Map 41.

Parcel 4:

Beginning at a point designated as Engineering Station 2094+12+/- as shown on Railroad Valuation Plan V28NH, Map 41; thence running generally in a northwesterly direction to a point designated as Engineering Station 2104+28+/- at the easterly sideline of Elm Street as shown on Railroad Valuation Plan V28NH, Map 41.

Meaning and intending to convey all the railroad corridor conveyed to the State of New Hampshire by the Boston and Maine Corporation by a deed recorded in the Hillsborough County Registry of Deed in Book 6200, Pages 40-48 on January 11, 2000, said parcels containing an area of 12.45 acres, more or less.

BK 6561 PG 1308

Parcel 5:

Beginning at a point designated as Engineering Station 1997+50+/- as shown on Railroad Valuation Plan V28NH, Map 39; thence running generally in a westerly direction to a point designated as Engineering Station 2002+44+/- located on the easterly sideline of Mammoth Road as shown on Railroad Valuation Plan V28NH, Map 39.

Meaning and intending to convey all the railroad corridor conveyed to the State of New Hampshire by the Boston and Maine Corporation by a deed recorded in the Hillsborough County Registry of Deed in Book 5719, Pages 215 – 221 on May 21, 1996, said parcel containing an area of 0.66 acres, more or less.

Parcel 6:

Beginning at a point designated as Engineering Station 2008+61+/- located on the westerly sideline of Hall Street as shown on Railroad Valuation Plan V28NH, Map 39; thence running generally in a westerly direction to a point designated as Engineering Station 2021+76+/- at the easterly sideline of Massabesic Street as shown on Railroad Valuation Plan V28NH, Map 39.

Meaning and intending to convey all the railroad corridor conveyed to the State of New Hampshire by the Elliot Hospital of the City of Manchester by an easement recorded in the Hillsborough County Registry of Deed in Book 5645, Pages 1085 – 1087 on August 1, 1995, said parcel containing an area of 0.60 acres, more or less.

Parcel 7:

Beginning at a point designated as Engineering Station 2081+13+/- located on the westerly sideline of Union Street as shown on Railroad Valuation Plan V28NH, Map 41; thence running generally in a westerly direction to a point designated as Engineering Station 2083+33+/- at the easterly sideline of Willow Street as shown on Railroad Valuation Plan V28NH, Map 41.

Meaning and intending to convey all the railroad corridor conveyed to the State of New Hampshire by the 67 Willow Street Realty, L.L.C. by an easement recorded in the Hillsborough County Registry of Deed in Book 6513, Pages 131 – 132 on October 30, 2001, said parcel containing an area of 0.15 acres, more or less.

Parcel 8:

Beginning at the southerly most point of said premises, at an iron pin with cap to be set; thence along a curve westerly along said parcel with a radius of 962.57 feet, a distance of 470.56 feet to a point; thence N8°25'43"W a distance of 108.31 feet to a point; thence along a curve southeasterly with a radius of 932.57 feet to a point on Willow Street in Manchester, New Hampshire; thence S13°52'44" east a distance of 45.99 feet to the point of beginning, as shown on plan entitled "Easement Plan of Land prepared for Flying Horse Realty Inc., in Manchester, NH, scale 1" = 40", Date: January 11, 2000", prepared by Duval Survey, Inc., 14 Dartmouth Street, Hooksett, NH 03103, and recorded in the Hillsborough County Registry of Deeds as Plan No. 30334.

Meaning and intending to convey all the railroad corridor conveyed to the State of New Hampshire by the Flying Horse Realty, Inc., by an easement recorded in the Hillsborough County Registry of Deed in Book 6208, Pages 26 – 27 on February 9, 2000, said parcel containing an area of 0.34 acres, more or less.

BK 6561 PG 1309

As a further condition of this instrument, the City of Manchester agrees to the following:

1.) The City of Manchester shall use and manage the abandoned railroad corridor as a recreational trail for use by the general public.

2.) Any future alterations by the City of Manchester to the abandoned railroad corridor shall necessitate review by the Federal Highway Administration relative to the Section 106 historic review process.

3.) The City of Manchester must obtain approval from the New Hampshire Department of Transportation before selling any portion of the abandoned railroad corridor.

Excepting and Reserving, to the State of New Hampshire by or through its Department of Transportation of any successor agency, a transportation easement, 30 feet in width, crossing all the above-described parcels for any mode of public travel, including, but not limited to, vehicular, railroad, bus, or other form of mass transit, pedestrian, bicycle, snowmobile (not including motorcycles) or other form of recreational travel.

TO HAVE AND TO HOLD said premises, with all the privileges and appurtenances thereunto belonging to the City of Manchester, its successors and assigns forever.

IN WITNESS WHEREOF, The State of New Hampshire has caused its name to be set and its seal to be hereunto affixed by the Commissioner of the New Hampshire Department of Transportation, duly authorized and executed this 14th day of December, 20 01.

Signed, Sealed and Delivered
in the presence of

Robert J. Gagne, Chairman
Michael W. Hurley

Lisa Turner
Assistant to Assessors

To: Chairman Ed Osborne, Committee on Lands & Buildings
From: Board of Assessors
Date: August 21, 2013
Re: Revocable Land License Transfer 339 Silver St

The Assessors have been asked to determine what a property lease amount would be for use of the railroad right-of-way by the owner of 339 Silver Street. The area in question contains 24 open parking spaces. The Parking Division issues monthly parking permits at the rate of \$50 per month per open parking space. The rate for the subject 24 spaces would be \$1,200 per month.

The original "City of Manchester Policy Regarding Sector Use of the Former Portsmouth Branch Railroad Line Right-of-Way" contains no provision or mention of fees or rent for use of the Right-of-Way. The Committee should consider revisiting the Policy if rent is to be charged as there are other users of the Right-of-Way.

Respectfully,

Robert J. Gagne, CNHA, NHCG
Chairman

City Map of New Parcel 359-1A

City Map of Former Rail Road Land

Provencher Proposal Addendum to Purchase City Surplus Land

- ❖ This Proposal is submitted by Robert Provencher owner of 399 Sliver Street doing business as My Friends Pub.
- ❖ Mr. Provencher proposes that this Committee recommend to the Board of Mayor and Alderman that a defined portion of Assessors Lot 356-1A be classified as surplus land and further recommend the sale of said defined lot to Mr. Provencher.

Proposal to Purchase City Surplus Land

- ❖ Mr. Provencher shall bear all costs associated with the sale of said Lot including all necessary engineering.
- ❖ The Lot is City owned land and a portion of the former abandoned railroad line that was transferred to the City from the NH Department of Transportation being Assessors Lot 473-46.

Proposal to Purchase City Surplus Land

- ❖ The new Lot to be created shall leave a 30' wide transportation easement on the former railroad line in conformity with the NH Department of Transportations deed restrictions.
- ❖ Mr. Provencher shall obtain approval from the NH Department of Transportation for the sale of this new Lot.

Proposal to Purchase City Surplus Land

- ❖ Mr. Provencher shall inform the State of New Hampshire Division of Historic Resources of the possible sale of said Lot and obtain such approvals and/or waivers that may be required relative to section 106 historic review process.
- ❖ It has been found and determined in a similar instance that a sale of this type surplus land is not considered “an alteration of the former railroad corridor and does not warrant Historic Review.”

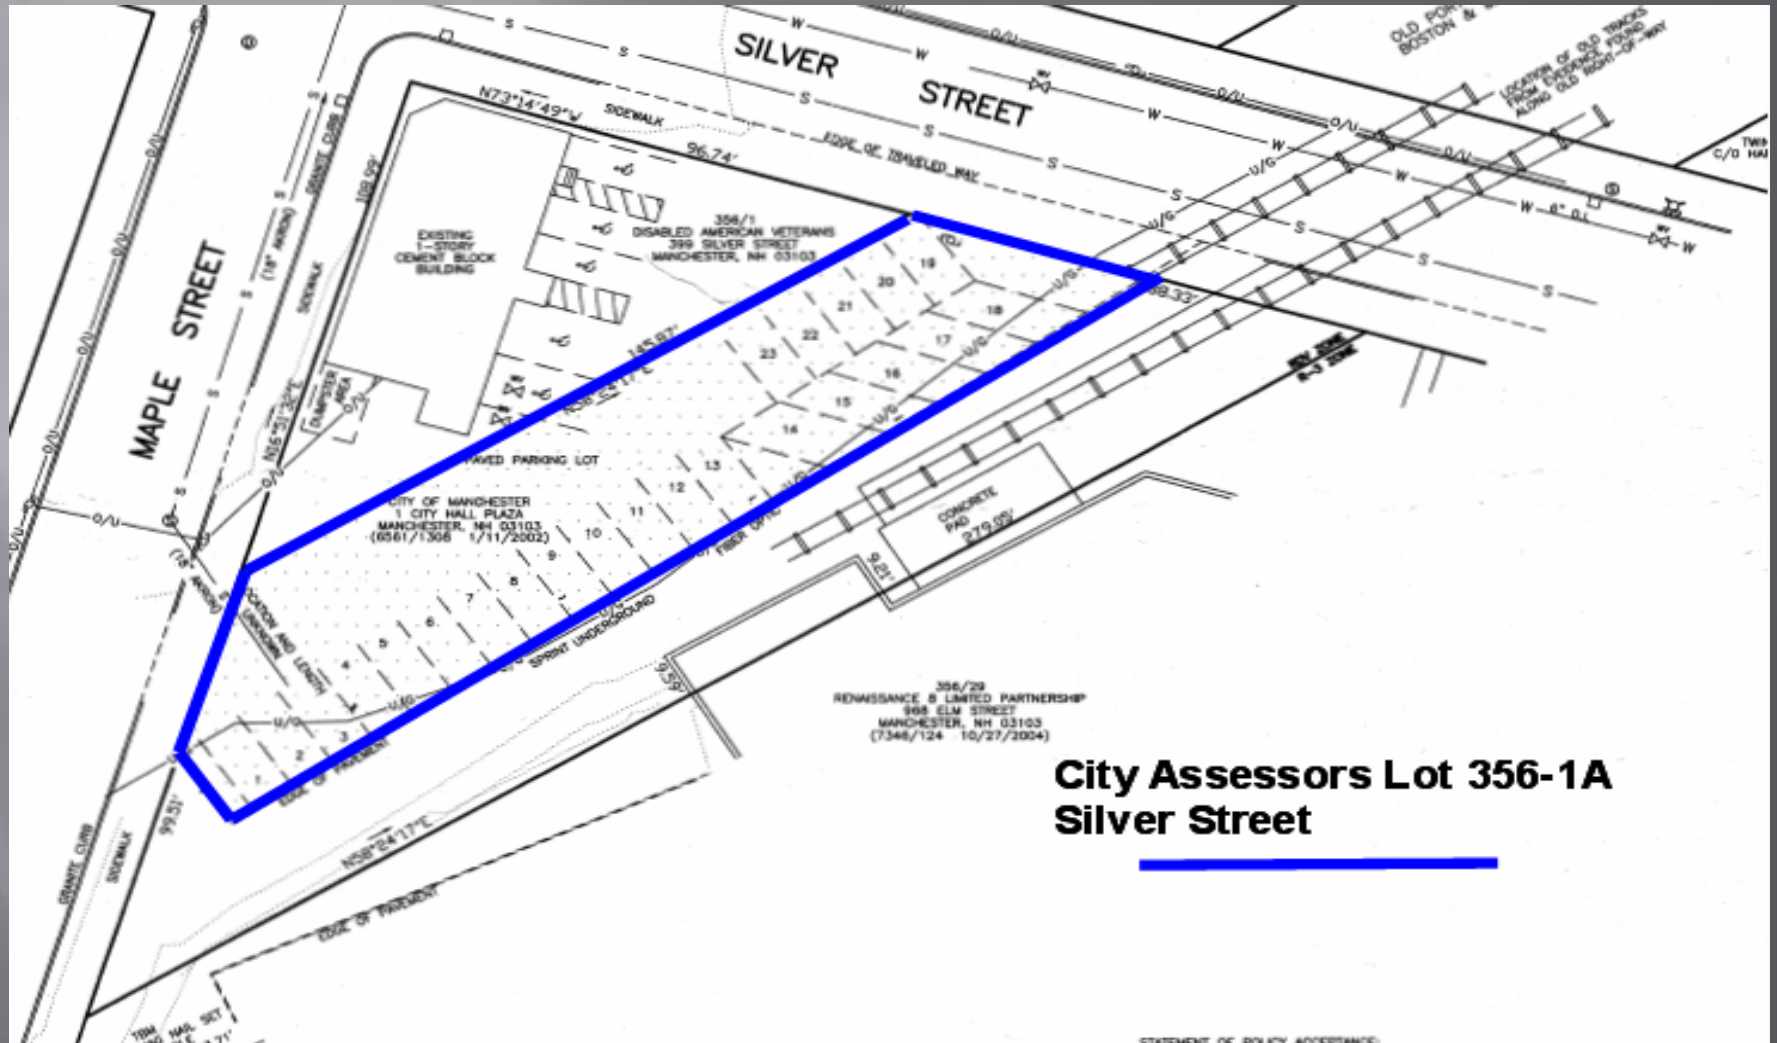

Proposal to Purchase City Surplus Land

- ❖ The following are visuals of maps, site plans and aerials to assist the Committee in their review of this Proposal.

Lisa Turner
Assistant to Assessors

To: Chairman Patrick Long, Committee on Lands & Buildings
From: Board of Assessors
Date: June 10, 2016
Re: Request to Purchase City Land off Silver St / Portion of Rail Corridor

The Assessors have completed an analysis of the estimated market value of the above-referenced property. The following is a summary of important facts and the value estimate:

Property Location	off Silver St; abuts rear of 399 Silver St (My Friends Pub)
Assessors Map/Lot	356/1A / Separately mapped for Property Tax purposes only / Legally part of City parcel Map 473, Lot 46 / Former Portsmouth Branch rail corridor
Property Owner	City of Manchester
Deed Book/Page	Bk 6561, Pg 1308
Date Acquired	January 11, 2002 / Not a tax deeded parcel
Improved/Vacant	This area = Paved Parking Lot / Remainder of corridor = Occasional Paving Encroachments and some Revocable License users
Total Land Area	7,283 square feet proposed
Current Zoning	RDV Redevelopment / 100' & 10,000 SF minimum
Overlay District	N/A
Easements / Restrictions	Deeded by State with restrictions to use. No uses allowed that would impair use of corridor for bike, pedestrian trail or other transportation use in the future.
Estimated Value	To be disclosed in non-public session (RSA 91-A:3 II(d))
Comments	Area has been used as a parking lot for the building located at 399 Silver Street by revocable license agreement with the City. The agreement was originally with the Disabled American Veterans and is currently with Robert H. Provencher. The 399 Silver Street property does not have adequate on-site parking for its present use and relies on the corridor area for required parking. The area proposed for purchase is considered "unbuildable" as a standalone parcel. Note that private use of public property requires payment of property taxes (RSA 72:23 I (b)). Back taxes are owed on the subject parcel, see attached.

Respectfully,

Robert J. Gagne, CNHA, NHCG

Re: Request to acquire City-owned parcel located at Tax Map 356, Lot 1A, located behind 399 Silver Street

Dear Chairman Long and Honorable Committee Members:

The purpose of this letter is to provide the Committee with the Planning and Community Development Department's recommendation regarding the request to purchase the above-referenced land. This recommendation is provided pursuant to Sections 34.15-25 of the Manchester, NH Code of Ordinances.

Background

The area of land at issue is denoted as Map 356, Lot 1A on the City's tax map and GIS (hereinafter "City Land")¹. It is an approximately 40-foot-wide strip of paved land located within a former railroad right-of-way owned by the City. It sits behind Tax Map 356, Lot 1, which has an address of 399 Silver Street and is owned by Mr. Robert Provencher (hereinafter "Provencher Parcel"). The request to purchase the City Land comes from Mr. Provencher, acting through his agent, Mr. Bernard Nardi. Mr. Provencher has owned his parcel since purchasing it in 2013 from the Disabled American Veterans, Chapter No. 1 (hereinafter "DAV"). *See attached aerial photograph and survey of 399 Silver Street.*

As shown on the aerial photograph and survey, the Provencher Parcel can accommodate only a few parking spaces on it. The City Land has room for significantly more parking spaces. Accordingly, shortly after purchasing his parcel from the DAV, Mr. Provencher petitioned this Committee for a revocable license to allow him to use the City Land for additional parking for his business. This committee favorably recommended the license to the Board of Mayor and Alderman, and the BMA granted the license in 2013. Prior to Mr. Provencher's purchase, the DAV had a similar license with

¹ Mr. Provencher's correspondence states that a subdivision occurred, resulting in Map 356 Lot 1A. Although the land has its own tax map and lot number on the city's GIS, it has not been subdivided from the land originally conveyed to the City by the State. It appears that Mr. Provencher has assumed that, because the lot has been separated for tax purposes, it has been subdivided, which is inaccurate.

the City. These licenses were necessary because the City Land is part of land formerly used as a railroad corridor, which the State of New Hampshire conveyed to the City in 2002.

The State's conveyance came with restrictions, including a 30-foot transportation easement that runs down the corridor and allows for "any mode of public travel." The conveyance also required that the City manage the land as a recreational trail, that federal historic review must occur prior to alteration of the railroad corridor, and that State approval must be given before selling any of the corridor.

In 2005, the Board of Mayor and Aldermen adopted a policy to address these restrictions across the corridor. That policy specifically states that it "discourage[s] private sector uses on the . . . railroad corridor," "[t]hat the general public will retain continual freedom of movement over the . . . railroad corridor," and, "[e]xcept in cases of extreme hardship, that any and all uses permitted by the City shall be by written revocable license." *See attached railroad policy.*

Since the adoption of that policy, the City has issued a handful of revocable licenses to property owners. Recent grants have included use of the corridor for parking for a 9-unit apartment building on Belmont Street and for paved truck access to RSCC Aerospace and Defense on Hayward Street.

It would be unusual, however, for the BMA to sell any of the railroad corridor, as Mr. Provencher requests. The Planning Department has a record of only one such conveyance occurring since the enactment of the railroad policy. In 2015, this Committee received a request from the owner of Hoitt's Furniture at 267 Wilson Street to purchase a 0.096-acre, approximately 15-foot-wide strip of land from the side of the railroad corridor. Hoitt's asserted that the strip was necessary to access the rear loading dock of its building and that interested buyers had backed out of purchasing the property when they found out that access to loading docks was guaranteed only by a revocable license. The Committee met on February 17, 2015, then held a special meeting on June 2. During the special meeting, Fire Marshal Peter Lennon spoke, stating that the 15-foot strip of land is also necessary for fire access to the building and requested that the lane be maintained. The Committee recommended the sale of the 15-foot strip. After obtaining the required State approval of the sale, the Board of Mayor and Aldermen approved the sale in September. The conveyance left approximately 50 feet of the corridor's width remaining. *See attached survey of 267 Wilson Street.*

Recommendation

The Planning and Community Development Department recommends that this Committee deny Mr. Provencher's request to deem the City Land surplus and sell it to him.

Selling the land to Mr. Provencher would contradict the intent of the City's railroad policy to allow the public "continual freedom of movement over the . . . railroad corridor." It would also contradict the requirement in the conveyance from the State that the City shall "use and manage the abandoned railroad corridor as a recreational trail for use by the general public." Unlike the 15-foot-wide strip requested by Hoitt's, Mr. Provencher requests to purchase an area that is approximately 40 feet wide. This would significantly impinge on the corridor, which is approximately 65 feet wide. Future use of the corridor as a public trail or right-of-way may be negatively affected if the City Land becomes privately owned.

Further, Mr. Provencher's petition requests ownership of the City Land, but his correspondence does not allege an "extreme hardship," as is required by the railroad policy. It appears that he is able to use his parking area well, without any hardship, with the existing revocable license. In contrast to Hoitt's

Furniture, all sides of Mr. Provencher's building are accessible without the use of the railroad corridor.
See attached photographs.

For the foregoing reasons, this department recommends denial of the request. If you have any questions, staff from this department will be available at your meeting.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeffrey Belanger', with a long horizontal flourish extending to the right.

***City of Manchester Policy
Regarding
Private Sector Use of
the Former Portsmouth Branch Railroad Line Right-of-Way***

1. *BECAUSE* the conveyance deed which transferred the former Portsmouth Branch Line right-of-way from the State of New Hampshire to the City of Manchester requires that the City of Manchester “*shall use and manage the abandoned railroad corridor as a recreational trail for use by the general public*”, and
2. *BECAUSE* that same deed requires that “*Any future alterations by the City of Manchester to the abandoned railroad corridor shall necessitate review by the Federal Highway Administration relative to the Section 106 historic review process*”; and
3. *BECAUSE* that same deed requires that the “*City of Manchester must obtain approval from the New Hampshire Department of Transportation before selling any portion of the abandoned railroad corridor*”; and
4. *BECAUSE* that same deed reserves to the State of New Hampshire “*a transportation easement, 30 feet in width, crossing all the [parcels associated with the former Portsmouth Branch Line ROW] for any mode of public travel. . . .*”, and
5. *BECAUSE* any application by the City for state and federal Section 106 historic review which would be necessitated by any alteration to the former Portsmouth Branch railroad corridor would represent a significant time and monetary expense to the City;
6. It is *CONSEQUENTLY* the policy of the City of Manchester to

PROMOTE the development of authorized public recreational uses along the former Portsmouth Branch railroad corridor; and, in order to satisfactorily ensure this end,

DISCOURAGE private sector uses on the former Portsmouth Branch railroad corridor.
7. In any exceptional case where the City is considering the authorization of private sector use of any portion of the former Portsmouth Branch railroad corridor, it is also the policy of the City of Manchester to ensure the following:
 - (a) That any terrain alteration activities will be strictly limited to removal of steel rails and wooden ballast works, the installation of recreational trails, and/or installation of a loam and grass seed cover and work will be carried out under the supervision, and to the satisfaction, of the Parks, Recreation and Cemetery Department;
 - (b) That all approved terrain alteration, recreational trail installation, and/or loam and grass seeding activity will be carried out and paid for by the authorized private sector entity;
 - (c) That no structure including fencing, not related to recreational trail usage will be constructed or placed within any portion of the former Portsmouth Branch railroad corridor;

- (d) That the general public will retain continual freedom of movement over the Portsmouth Branch railroad corridor;
 - (e) That no use will be authorized if its current or future purpose is to satisfy, or aid in satisfying for any private sector person or entity, any zoning ordinance, site plan or subdivision requirement, or any other municipal ordinance or regulation;
 - (f) That no use will be authorized if any activity associated with that use would sufficiently alter the former Portsmouth Branch railroad corridor in such a way as to necessitate any state or federal evaluation under the Section 106 historic review process;
 - (g) Except in cases of extreme hardship, that any and all uses permitted by the City shall be by written revocable license;
 - (h) That any and all issued licenses shall contain a provision which will allow it to be revocable by the City, in its sole discretion at any time for any reason. Upon revocation the private person or entity shall return Portsmouth Branch corridor to its original condition or to such condition as the Parks, Recreation and Cemeteries Department shall agree; and
 - (i) That any issued license may contain any provision deemed reasonable by the City Solicitor to carry out the intent of this policy or for any other purpose.
8. Procedure: Any person or entity wishing to use a portion of a former Portsmouth Branch railroad corridor shall:
- (a) Submit a written application to the Committee on Lands and Buildings (c/o the City Clerk) which shall include a listing of the specific uses planned for the former Portsmouth Branch railroad corridor and shall also include a site plan of the affected area which has been prepared and signed by a licensed surveyor. The site plan shall, at minimum, show the boundaries of the former Portsmouth Branch railroad corridor, the location of the applicant's property, and existing and proposed site conditions.
 - (b) The City Clerk shall send a copy of the application to the Planning and Community Development Department and to the Parks, Recreation and Cemeteries Department for review and recommendation.
 - (c) Once the City Clerk has received the recommendations of the Planning and Community Development and Parks, Recreation and Cemeteries Departments, the application along with the departmental recommendations shall be placed on the agenda of the Committee on Lands and Buildings for Committee action.
 - (d) Should the Committee on Lands and Buildings recommend that the uses proposed in the written application, as it may be amended, be allowed, that recommendation shall then be sent to the Board of Mayor and Aldermen for action.

Mayor Ted Gatsas
One City Hall Plaza
Manchester, NH 03101

Re: Proposed Purchase of Land Comprising Plaza Drive

Dear Mayor Gatsas:

On behalf of Brady Sullivan Properties, LLC, and its affiliate, Brady Sullivan Plaza, LLC (collectively "Brady Sullivan"), I write to propose the purchase by Brady Sullivan of the land comprising Plaza Drive in Manchester for the sum of Fifty Thousand Dollars \$50,000.00.

If Brady Sullivan acquires the property, the City's tax base will be benefited and the City will no longer have to maintain the street and the sidewalks, saving the taxpayers significant expense.

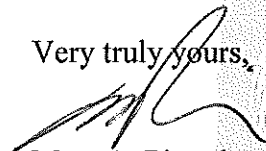

If a purchase is consummated, Brady Sullivan will agree to leave the area open to the public until such time as a development deal requires that the area be closed to public use. This will allow the public to continue to pass through the area in the interim.

The proposed purchase price is based upon the land not being useable by a Buyer other than the owner of the Plaza property, which significantly affects its potential market value.

Based on the totality of the circumstances, Brady Sullivan believes that the City will benefit greatly through this sale.

Thank you for your attention to this request. We look forward to your response.

Very truly yours,

Marc A. Pinard
